

# RECRUITING YOUR FAMILY AND FRIENDS CAN PAY OFF

## ATTENTION ALL EMPLOYEES:

Schools are letting out soon and perhaps you know someone who is looking for a job or someone who wants to get a different or second job. It could pay off for you and them to be hired with us.

Have them come in and complete an application and talk to a manager. They can also apply online. But I encourage you to talk to your manager about them, so they know that you are the person responsible for bringing them in and get an interview set up!

## AFTER THAT IT'S SIMPLE

Anyone hired on May 23rd or after (until the end of this hiring promotion) could be eligible for a **\$500.00** hire on bonus and you (the current employee who recommends them) could receive **\$250.00**

## HERE'S HOW IT WORKS:

New employee is hired and is still working here 93 days later. To be eligible the new employee must average 25 work hours a week or more in those first 93 days.

If the person you recommended – earns the \$500 bonus you will receive \$250 for recruiting them!
